

09/02/14 Warm-Up

- In your warm-up doc on Google Drive, answer the following questions:
 - What are the four most overused words in retail? It is a phrase.
 - What company is the largest online e-tailer?
 - Hint: It only sells products online
 - Tell me one random fact about the company that is the largest online retailer...

Products in America

- ❑ Over the next few class periods we will be researching the history of Products in America.
- ❑ Go to my website (<http://www.tiffanieharrison.com>) and begin your 'Products in America' research project. This is to be done individually and your product should not overlap with anyone else.
- ❑ If you're having a difficult time deciding which product to research there is a list under assignments.
- ❑ We will present a few 'Spend A Million Dollar' projects at the beginning of each class until we're done with them.
