

# Famous Entrepreneur Project

- Two or three (no more) PowerPoint slides about your entrepreneur
- At least two pictures – 1 of the person, 1 of the business (i.e. logo, building, product, etc)
- Captivating information – history, value, hardships, success, partners, milestone, public perception, ethical behavior, cultural influence, fun facts, etc.
- This activity is designed to be brief yet compelling. Use all of your online resources to provide the class with intriguing information about your Entrepreneur.
