

Spend A Million Dollars

- o How would you spend a million dollars in one day?
 - o With the exception of a house (up to \$500,000), you can't spend more than \$300,000 on any one item.

 - o You may only purchase 3 of the same items.
 - o All purchases must fit on one cardstock with your name written in the middle.
 - o You have to purchase at least 20 things!
 - o You must include the cost of each item on your cardstock!
